Design Resources

Fonts: Gentona and Newsreader (with Franklin Gothic and Georgia as the web safe fonts)

Brand colors

Responsive breakpoints: Responsiveness will be achieved by Bootstrap 5. The current responsive behavior of the core Tier 1 components will be followed. Any component that does not have a current live example will be built with Bootstrap 5 and reviewed by the testing team and UFL. All animation in Tier 1 will be followed.

General Definitions:

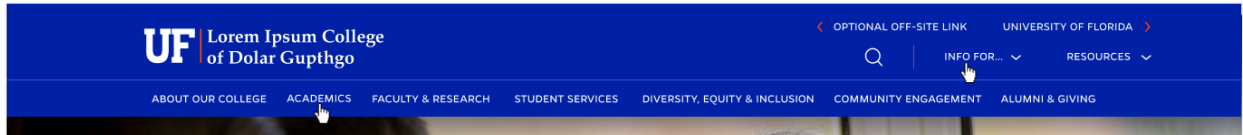

- **Single-line text field:** Will accept all text characters – including special characters – but will not allow for in-line HTML
- **Multi-line text field:** Will accept all text characters – including special characters – and will insert line breaks to account for multiple lines in the editor

- **Button field:** Includes single-line text field for button text with all link field capabilities
- **Link field:** Include options for internal links to other CMS pages or items and external URLs. Both have the option to open in a new tab.
- **Video field:** Video URLs will be YouTube or Venmo embeds
- **Global Elements:** All elements will be standalone. Once implemented the UFL development team can build out elements that are global to the specific web site.
- **Images:** All images uploaded will include an image alt text single line text field attached to the image file that will populate the alt property for all instances where the image is used.
- **Character Recommendations:** All Character Recommendations provided within this document will be enforced using content guidelines only unless a hardcoded Character Recommendation is specifically noted in the field details.
- **Line Wrapping:** Line wrapping as identified in this document will refer to the number of lines that are expected at the full viewport size provided in design. On smaller screen sizes, the text may wrap to more lines.

- **Notes:** Main menu Nav is the same, banner utility links, footer, breadcrumbs, alert banner, site search by google part of project.

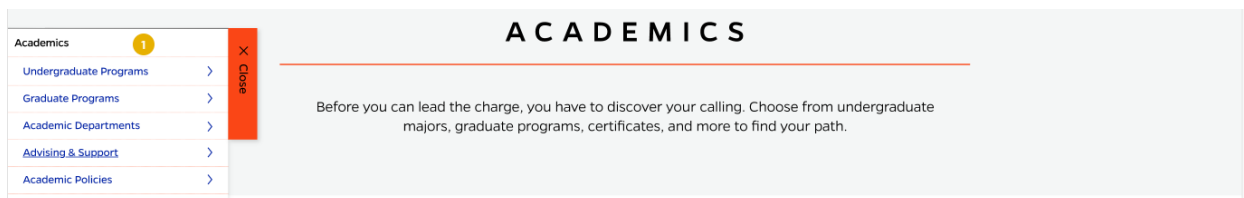

Global Navigation Components

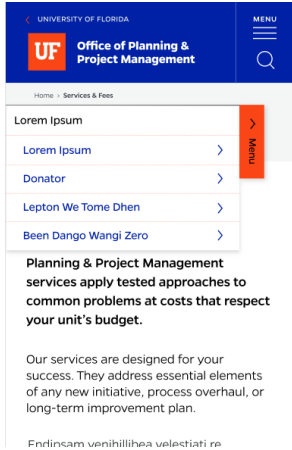

Header

Item/Field	Description	Required/Optional
Main Dropdown Link	<p>Number: Up to 7</p> <p>Hover: Menu appears on hover and orange underline appears</p> <p>Click: Redirect user to the associated page</p>	Required
Display	<p>Pages: The header area will display with a solid blue background</p>	NA
Menu Links	<p>Field type: Link field</p> <p>Hover: Blue, underlined text</p> <p>Display: Appear in pp to three columns</p>	Required
Mobile	Mobile will go to a hamburger menu.	NA
Scrolling	The nav will disappear on scroll down and reappear when the user scrolls up.	NA

Section Navigation

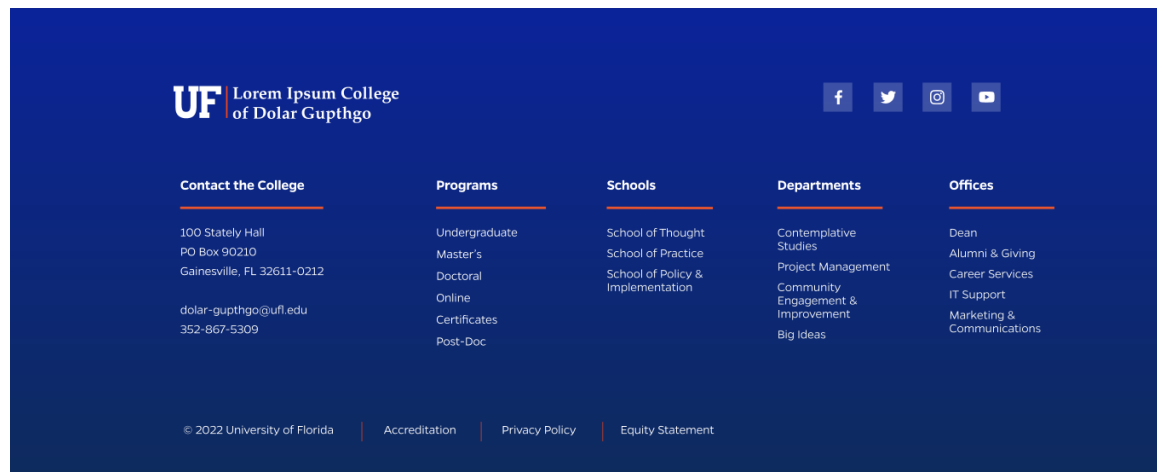

Item/Field	Description	Required/Optional
Display	<p>The menu will display the current page parent, siblings and children.</p> <p>Any pages with a child will display an arrow.</p> <p>On arrow click child pages will appear and a child with children will again have an arrow. Any pages without a child will not display an arrow.</p> <p>Note: If the user closes the menu, it goes back to the original menu start.</p>	NA
Main Dropdown Link	Hover: Arrow rotates, and the menu expands	NA
Menu Link	<p>Active: Current page will show in black</p> <p>Hover: Blue underline</p>	NA
Mobile	In mobile the section menu will behave the same as a full screen or tablet view.	NA

Breadcrumb (<https://www.ufl.edu/academics/>)

Home > Programs & Courses

Item/Field	Description	Required/Optional
Parent Pages	Text: Standard font weight Hover: Text will underline Link: User will be redirected to associated page	NA
Active Page	Text: Bold Text is not clickable	NA

Footer

The site-wide footer includes the logo, contact info, social links, three resource menus, copyright text.

- Orange line at top of footer scrolls from left to full width as users scroll down.
- Menu wording is not clickable, simply for navigation.
- Social icons click to social media pages.
- Address and phone number are clickable on desktop and mobile.

Item/Field	Description	Required/Optional
Logo	Links to homepage	Required
Contact Column	Institution Name: Single line text field Address: Single line text field Address Link: Link Phone: Phone Hover: Underlined text	Required
Resource Menus	Heading: Single line text field Resource Link: Link Hover: Underline link text Number: Three columns	Required
Social Links	Field type: Icon + Link Hover: White box and blue icon Number: Up to 6	Required
Copyright Text	Automatically set to current year	Required

Search

The search will be a shell and non-functioning it will be up the client to configure the search. The current UFL main site search is Google search.

How can we help you?

Tier 1 Components

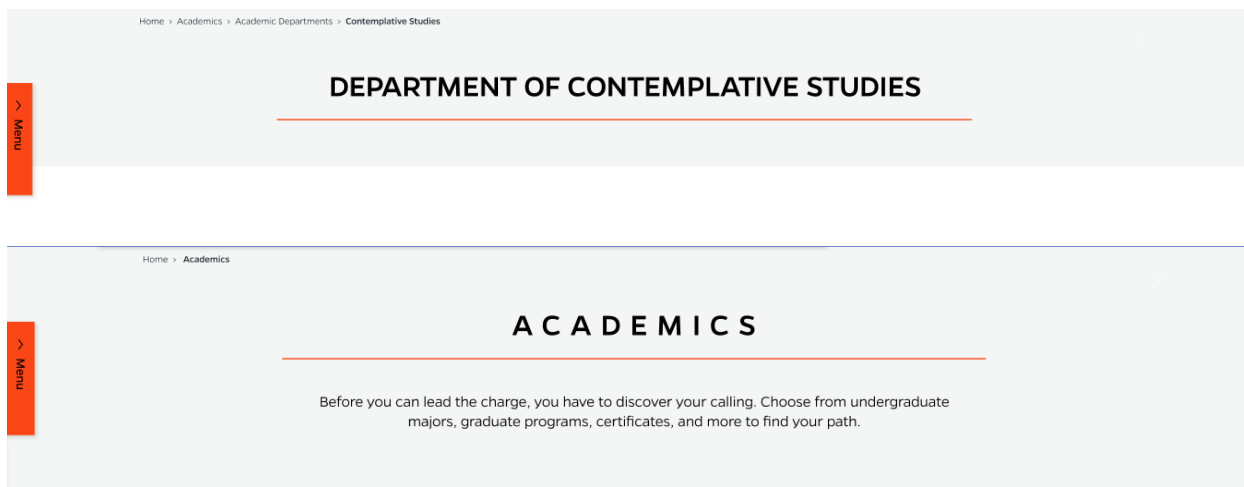

Hero Block

Item/Field	Description	Required/Optional
Image/Movie	Field Type: Media upload/select field Aspect Ratio: 2:1 Optimal Image Dimensions: 1920x960 Video controls: Start/Stop	Required

Cards – Right Rail

What Sets UF Apart? ^{h2}

Whatever you have your sights set on, that’s merely the beginning. Gators see beyond the horizon. We measure success not in individual achievements, but in where we go from there. Because when reaching our goals is just the starting point, there’s no end to what you can accomplish as a Gator.

Combined Degrees Save Time and Tuition ^{h3}

You could wait four more years to get started on that graduate degree, or you could go ahead and start now. At UF, combined degrees can save up to a dozen credit hours, which translates to almost \$9,000 in tuition. And now that many professions require a master’s degree for even entry-level positions, you’ll graduate a Gator better prepared to make an immediate impact.

Innovation Academy Offers Small-College Experience

The Innovation Academy is one of the nation’s most forward-looking undergraduate programs - at one of its most dynamic research universities. We give motivated students a small-college experience focused on innovation, creativity, entrepreneurship, ethics and leadership on a unique spring-summer schedule.

Through a focus on developing knowledge to grow new business opportunities, services and products, you’ll learn how to be an innovator and what it means to be a leader. But you won’t just learn answers — you’ll learn how to ask the right questions, starting with this one: Do you have what it takes to be a Gator innovator?

AI Initiative Future-Proofs Your Education

The University of Florida is making artificial intelligence the centerpiece of a major, long-term initiative that is combining world-class research infrastructure, cutting-edge research, and a transformational approach to curriculum. Its depth is making the university a leader in AI research and development; its breadth will make sure every UF student develops a basic competency in AI regardless of their field of study.

What Sets UF Apart? h2

Whatever you have your sights set on, that's merely the beginning. Gators see beyond the horizon. We measure success not in individual achievements, but in where we go from there. Because when reaching our goals is just the starting point, there's no end to what you can accomplish as a Gator.

Combined Degrees Save Time and Tuition h3

You could wait four more years to get started on that graduate degree, or you could go ahead and start now. At UF, combined degrees can save up to a dozen credit hours, which translates to almost \$9,000 in tuition. And now that many professions require a master's degree for even entry-level positions, you'll graduate a Gator better prepared to make an immediate impact.

Innovation Academy Offers Small-College Experience

The Innovation Academy is one of the nation's most forward-looking undergraduate programs - at one of its most dynamic research universities. We give motivated students a small-college experience focused on innovation, creativity, entrepreneurship, ethics and leadership on a unique spring-summer schedule.

Through a focus on developing knowledge to grow new business opportunities, services and products, you'll learn how to be an innovator and what it means to be a leader. But you won't just learn answers — you'll learn how to ask the right questions, starting with this one: Do you have what it takes to be a Gator innovator?

AI Initiative Future-Proofs Your Education

The University of Florida is making artificial intelligence the centerpiece of a major, long-term initiative that is combining world-class research infrastructure, cutting-edge research, and a transformational approach to curriculum. Its depth is making the university a leader in AI research and development; its breadth will make sure every UF student develops a basic competency in AI regardless of their field of study.
